No-Sew Conductive Bracelets

Make a No-Sew Conductive Bracelet using this guide. You'll need a battery, LED, and some Maker Tape.

Written By: Pete Prodoehl

INTRODUCTION

Make a No-Sew Conductive Bracelet using this guide. You'll need a battery, LED, and some Maker Tape.

We made ours using felt, but you can also make a paper version using construction paper or regular paper that you color yourself!

You can make this project (and many more) with our **Wearable Circuits Kit** or our **Paper Circuits Kit**.

TOOLS:

- Scissors (1)

PARTS:

- Wearable Circuits Kit (1)
- Felt (1)
