INTRODUCTION

Making a wearable project is a fun and festive way to do something creative - especially for a holiday! In this eBook, you can choose from many holiday hats to celebrate throughout the year. There's a full-color version as well as a black & white version that makes a great coloring activity.

Each of the projects in this eBook can be made using Maker Tape and 10mm Jumbo LEDs, which can be found in our **Paper Circuits Kit**.

Hats included: Heart Valentine's Day, Leprechaun Hat with 4-Leaf Clover Bunny Ears, Crown, Unicorn, Spider, Menorah, Snowflake, Paper Santa, X-Mas Tree, Snowman, Reindeer, Paper Tiara, Bat, Jack-O'-Lantern, and Golden Crown Hat!

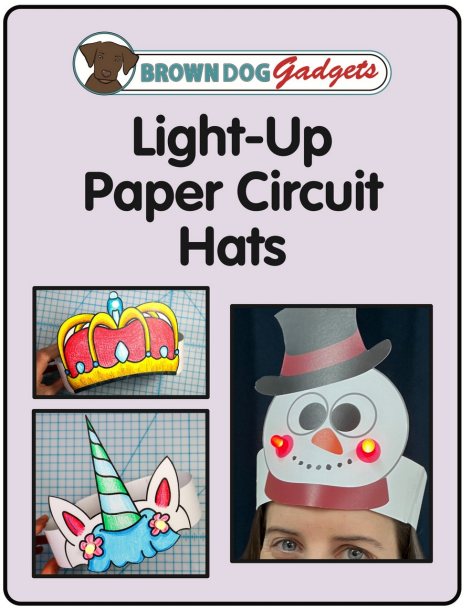

TOOLS:

- Scissors (1)
- Markers, Crayons, or Colored Pencils (1)

PARTS:

- Paper Circuits Kit (1)
- 1/4 inch EVA Foam (1)
