INTRODUCTION

Create Pac Man, Ms Pac Man, Ghosts, and even power pellets that move with this set of templates. We've put together a full set of fun retro arcade vibrating paper crafts. Download the template you want to use to get started. We have 8 different templates to choose from that can be found at the end of this write up.

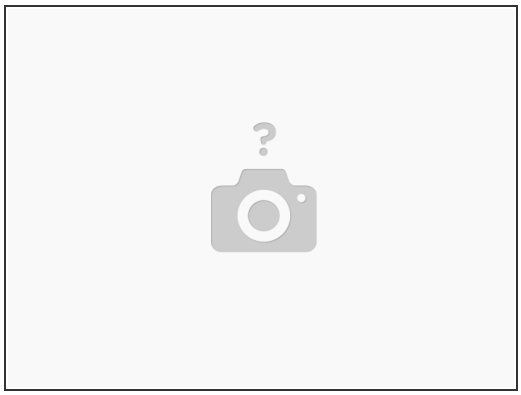

TOOLS:

- Scissors (1)
- Colored Pencils (1)

PARTS:

- Origami Circuits Kit (1)

Step 1 — Notes and Tips

- There are a wide number of templates you can cut out. At the bottom of this page you'll find them all for download.
- You'll also find some templates for Pac Man and Ghost designs that can go on the outside of the body. You'd stick these onto the outside of the cubes once you'd built them.
