TOOLS:

- Scissors (1)
- Pencil (1)
- 12" Ruler (1)
- Adhesive Tape (1)

PARTS:

- Wrapping paper (1)
- Ribbon (1)
- Holiday Card or Tag (1)

Step 1 — Tie the Bow

- Flip the present over so the knot you just made is facing down on the table.
- Bring the ends of the ribbon around the present.
- Align the side of the ribbon feeding into the roll with the ribbon's loose end. Both sides of the ribbon should be roughly the same length.
- Cut the ribbon loose of the roll.
- Tie a knot with your two ends of the ribbon and pull it tight.
- Similar to Step 15, pull and press down on the knot to make it flat.
- Tie a bow.

Step 2

- Trim the ends of the ribbon as needed.
