How to enter calf registration details

Use this web page to register your calves. This guide details Section 1. Entering the birth data.

Written By: Debbie Dow

Step 1 — Add birth details

Record Birth

1. Add one or more births to the list

Eartag	
Date of birth	
Sex	☐ Male ☐ Female
Breed	Select breed: 
Dam ID	
Genetic Dam ID	
Sire ID	
User reference	<i>Optional</i>
Twin/Triplet	☐
Add to list	

- Select Record Birth from your ScotMoves+ Home page or from the Record / View data box.
- You are presented with the data entries fields that are required to record the birth.
 -  Ear Tag ID
 -  Date of Birth
 -  Sex
 -  Breed
 -  Dam ID

Step 2 — Selecting an ear tag and the date of birth

Record Birth

1. Add one or more births to the list

Step 3 — Selecting the sex and the breed

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☐ Male ☐ Female

Breed

Select breed: 

Dam ID

Genetic Dam ID

Sire ID

User reference

Optional

Twin/Triplet

☐

Add to list

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

✓ Select breed:

AA: Aberdeen Angus (Beef)

AAX: Aberdeen Angus Cross (Beef)

AB: Abondance (Dairy)

ABX: Abondance Cross (Dairy)

ALL: Australian Lowline (Beef)

ALLX: Australian Lowline Cross (Beef)

AM: Armoricaïne (Dairy)

AMX: Armoricaïne Cross (Dairy)

AN: Ankole (Beef)

Dam ID

Genetic Dam ID

Sire ID

User reference

Twin/Triplet

- Record the sex of the calf by clicking the Male or Female button.
- Click 'Select breed' and a drop down appears.
- Select the breed of your calf by clicking on the breed in the drop down.

Step 4 — Selecting the Dam

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

uk|

UK544399200005 HI Female (3y5m)

Genetic Dam ID

Sire ID

UK547332600107 HI Female (4y4m)

User reference

Optional

Twin/Triplet

☐

Add to list

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

UK544399200005

Genetic Dam ID

UK547332600107

Sire ID

User reference

Optional

Twin/Triplet

☐

Add to list

- Start typing in the Dam ID box and a list of available cows appears.
- Select the Dam of the calf from the list.
- ⓘ If the dam has calved within the previous 240 days - the message appears ' Dam has already calved' . Please check the Dam ID you have selected.
- The Genetic Dam can be entered or selected.
- ⓘ The Genetic DAM ID is only required to be recorded when an ovum transplant has produced the calf.

Step 5 — Selecting the Bull

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

UK544399200005

Genetic Dam ID

UK547332600107

Sire ID

User reference

Optional

Twin/Triplet

☐

Add to list

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

UK544399200005

Genetic Dam ID

Sire ID

UK583124700304

User reference

Optional

Twin/Triplet

☐

Add to list

- The IDs of bulls on your holding appears in a drop down when you start typing.
- Please select the ID of the father of the calf.
- ① Alternatively, you can enter the bull's name but for trace purposes the ID is preferred.

Step 6 — Adding a User Reference

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

UK544399200005

Genetic Dam ID

Sire ID

UK583124700304

User reference

Optional

Twin/Triplet

☐

Add to list

- You can enter a reference for the birth.
- ① Please note that this is your reference and remains against the animal on your holding details only. It does not transfer with the animal if the animal leaves your holding.
- For registering the births of twins or triplets please refer to the guide 'Registering Twins or Triplets'.

Step 7 — Adding the Registration details

1. Add one or more births to the list

Eartag

UK581553200022

Date of birth

30/09/2021

Sex

☒ Male ☐ Female

Breed

AAX: Aberdeen Angus Cross (Beef)

Dam ID

UK544399200005

Genetic Dam ID

Sire ID

UK583124700304

User reference

Calving reference

Optional

Twin/Triplet

☐

Add to list

2. Please check the list and correct any errors

Animal ID	Twin	DOB	Sex	Breed	
UK581553200022		30/09/2021	Male	AAX	UK544 i
Edit					

- Click the 'Add to List' button.
- Your calf registration details are now in Section 2.
- ⓘ For checking, editing and submitting your calf registration, please refer to the guide 'Submitting your calf registration'.
