Step 1 — BVD PI Locations

- The BVD PI locations table is the same whether you are signed in or not.
- Under the cattle header, click on BVD PI locations.

Step 2 — BVD PI Locations

- A copy of the ScotEID Terms and Conditions can be found by clicking on the blue link as directed by the red arrow.
- The table shows holdings numbers within Scotland which have at least 1 live PI. These will have been on the holding for more than 40 days, from the date of testing.

If you require further assistance, please contact ScotEID on 01466 794323.
