Creating Stories

Written By: Brendon Welch

Step 1 — Creating Stories

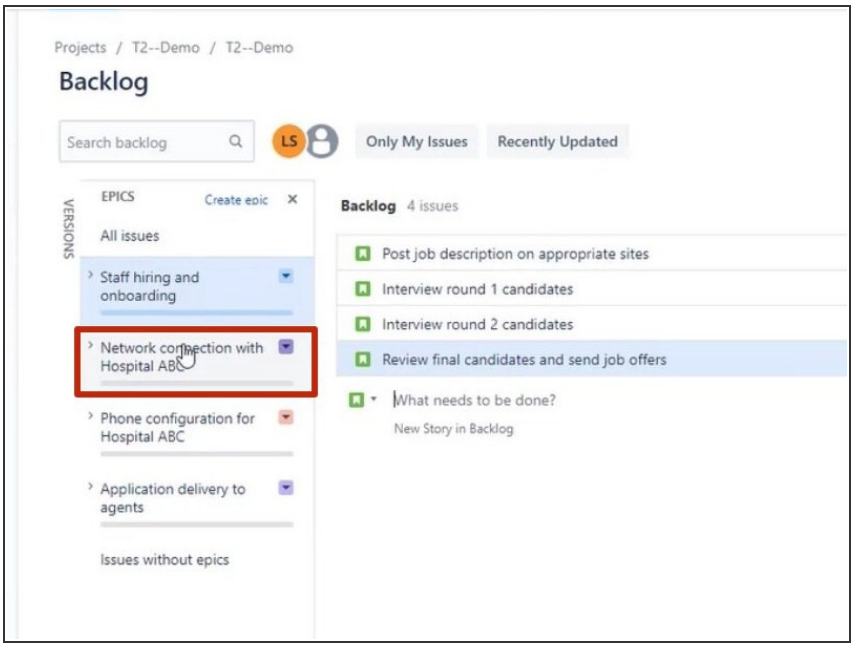

To assign a Story to an Epic:

- Select the **Epic**
- Click **Create Issue** and **Describe the Story**

Press *ENTER* on your keyboard to save the Story.

Repeat this step to add additional Stories to your Epic.

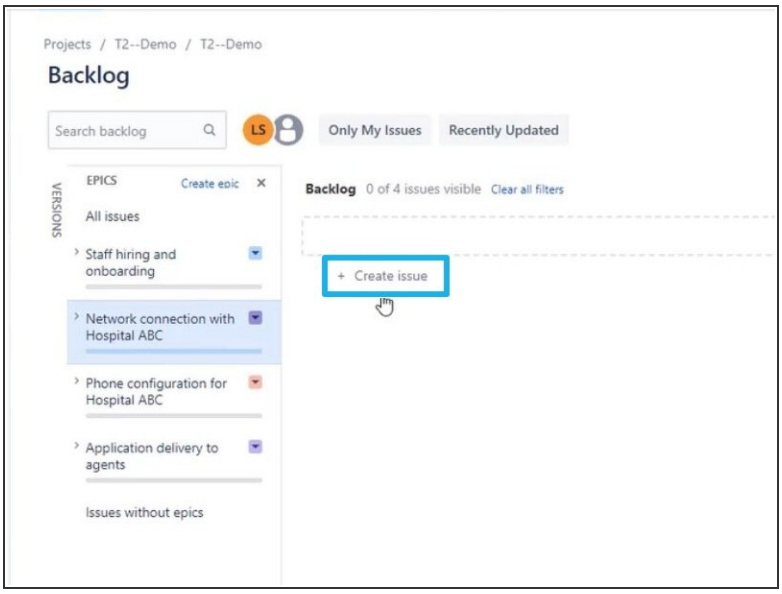

Step 2

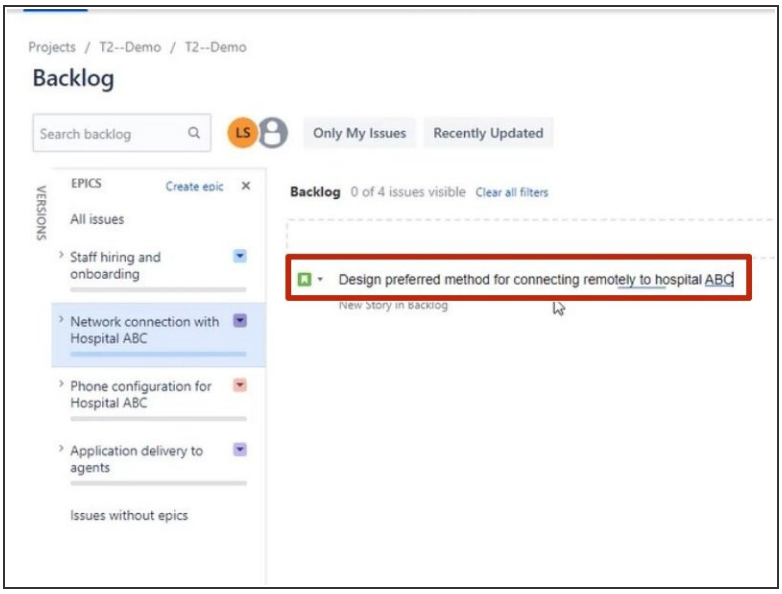

To add Stories to a different Epic:

- Click the **Epic**

Step 3

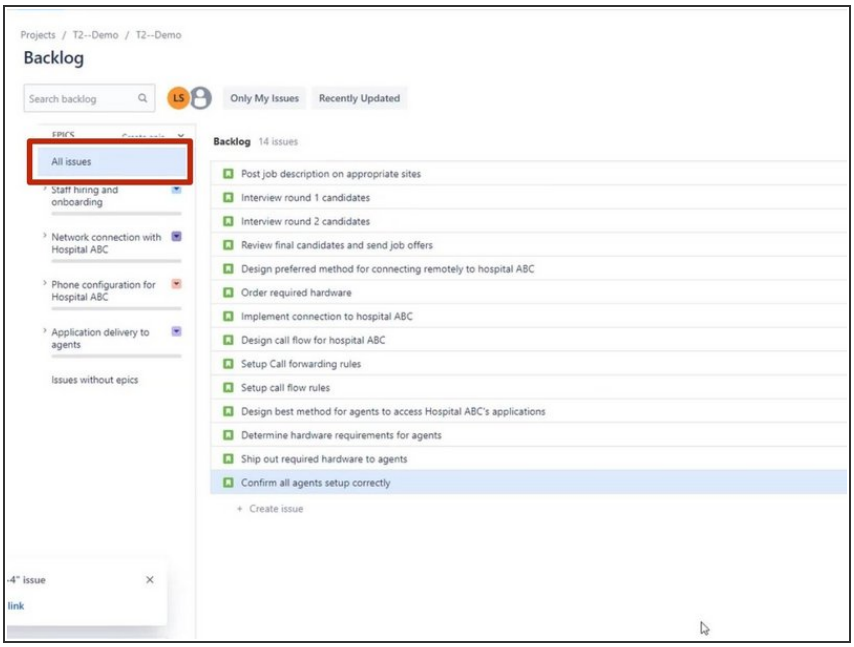

- Click **Create Issue**
- **Describe the Story**

ⓘ Press *ENTER* on your keyboard to save the Story.

⚠ **Repeat this step to add additional Stories to your Epic.**

Step 4

- **Once you have added Stories to your Epics:**
- Click **All Issues** to view the full backlog
- **CLICK HERE to Create Sprints**
