Reviewing a Sprint Roadmap

Written By: Brendon Welch

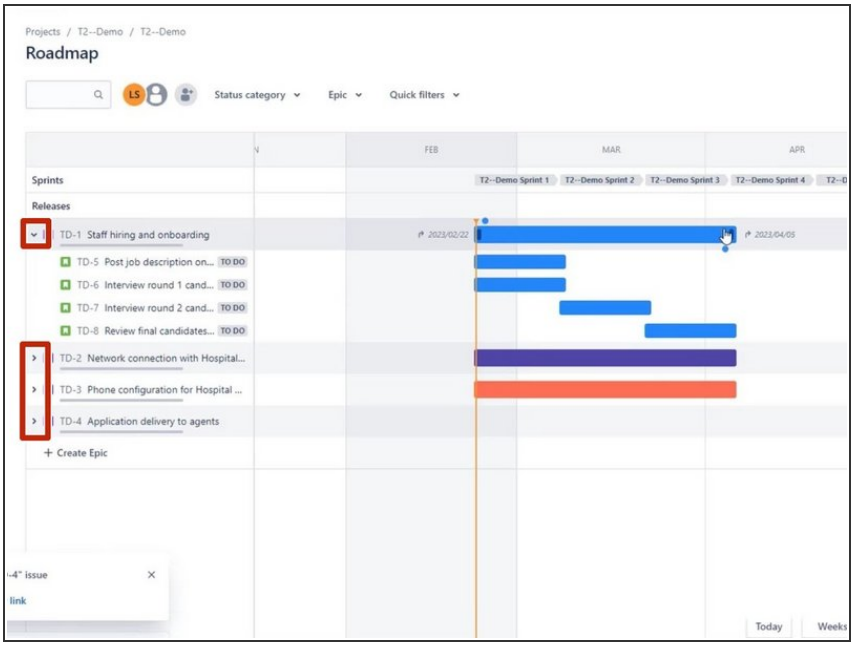

Step 1 — Reviewing a Sprint Roadmap

While viewing your Backlog:

- Click **Roadmap**

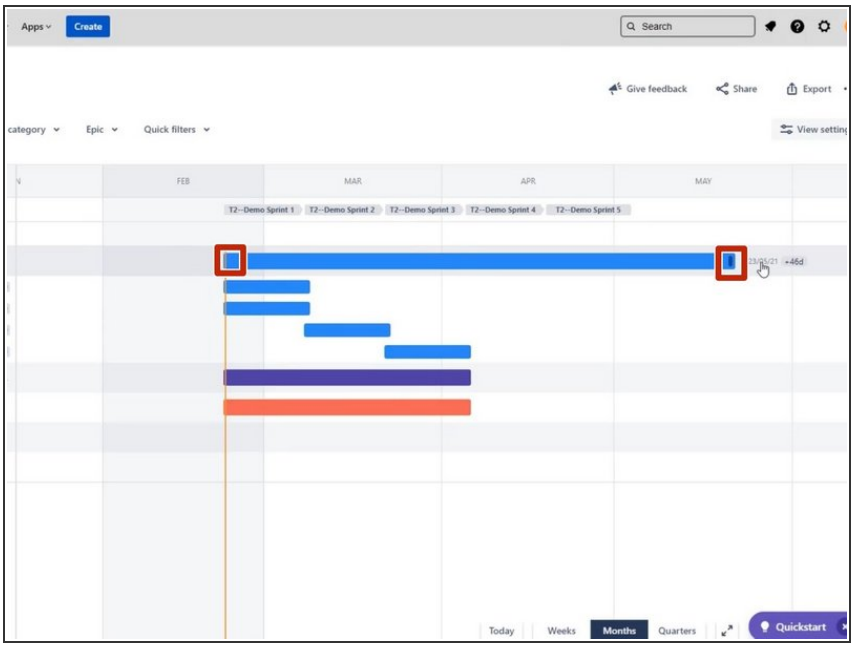

Step 2

To show the Stories within an Epic:

- Click the **Carrot** to the left of an Epic

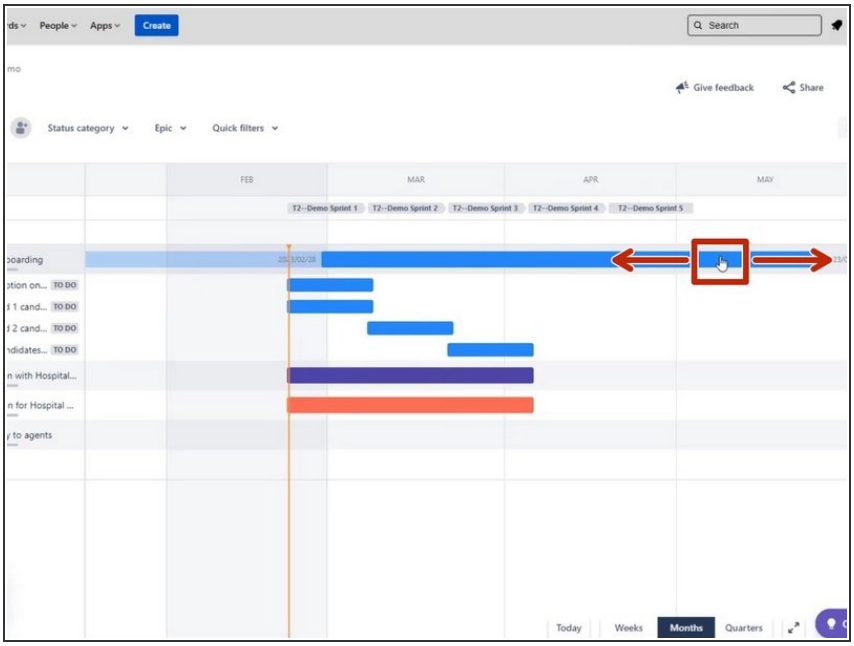

Step 3

To adjust the length of a Story:

- **Click and Drag the edge of the time bar**

Step 4

To move a time bar into other sprints:

- **Click and drag the time bar**

⚠ **Changes will be applied to the Backlog.**
