Rippling Login using Okta SSO

Written By: Brendon Welch

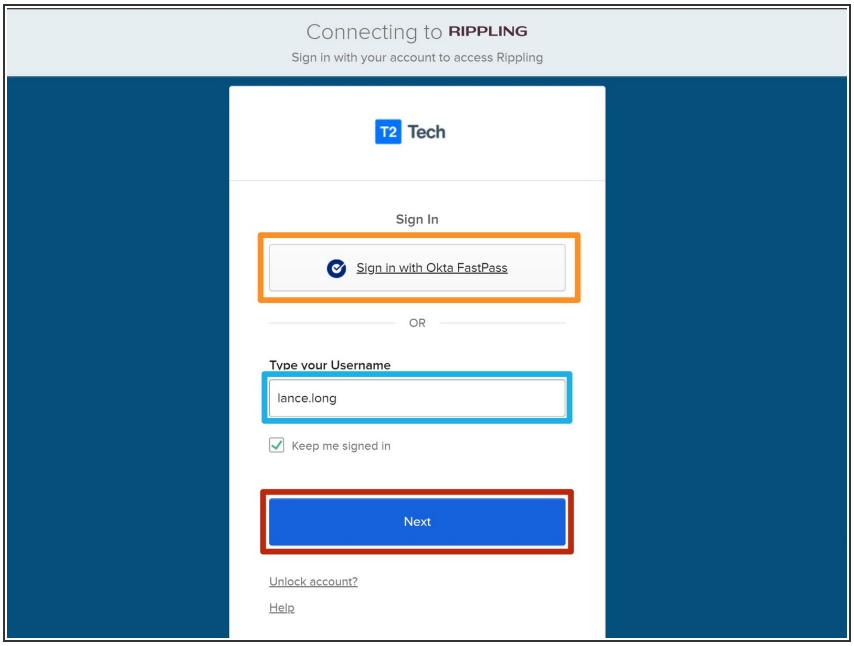

Step 1 — Rippling Login using Okta SSO

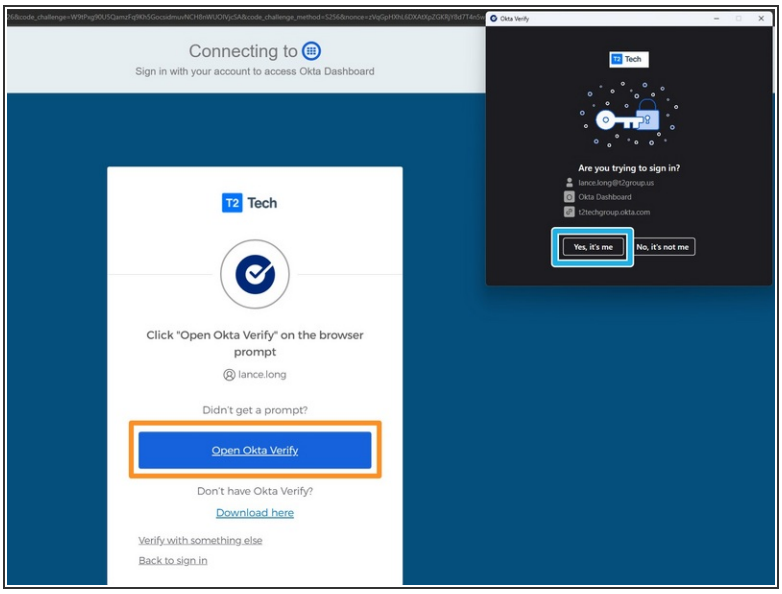

- [CLICK HERE to go to The Rippling Login]
- Enter your **T2 Email Address**
- Click **Continue**

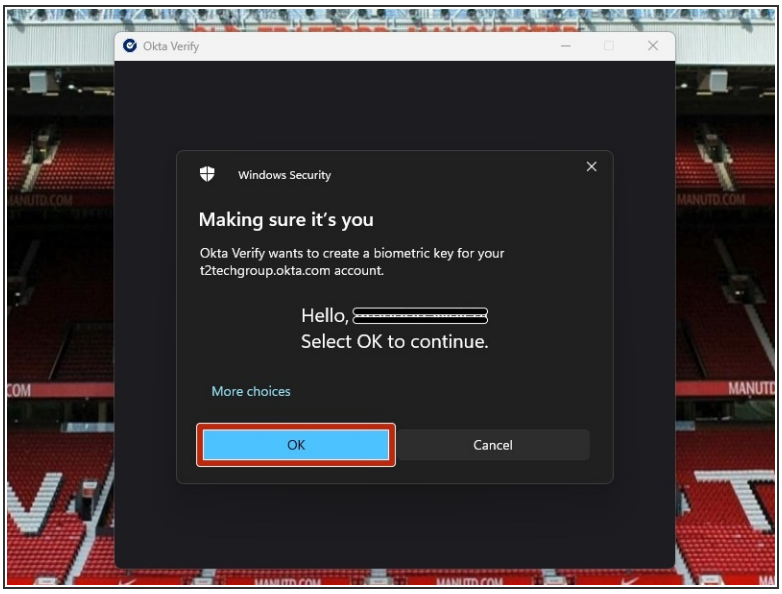

Step 2

- **If you have enrolled in Okta FastPass and wish to login using Okta FastPass:**
- Click **Sign in with Okta FastPass**
- **To login without Okta FastPass:**
- Enter your **T2 Username**
- Click **Next**

Step 3

⚠ **Skip this Step if you did not use Okta FastPass.**

To manually launch Okta Verify:

- Click **Open Okta Verify**

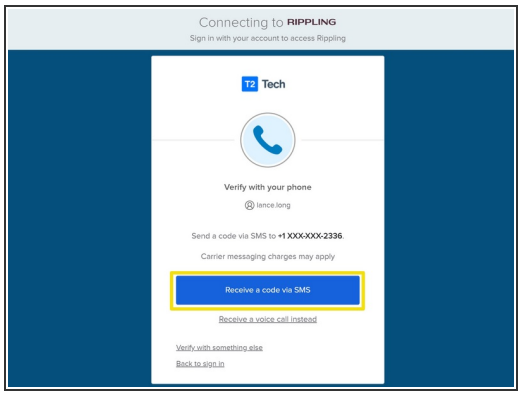

In the Okta Verify application:

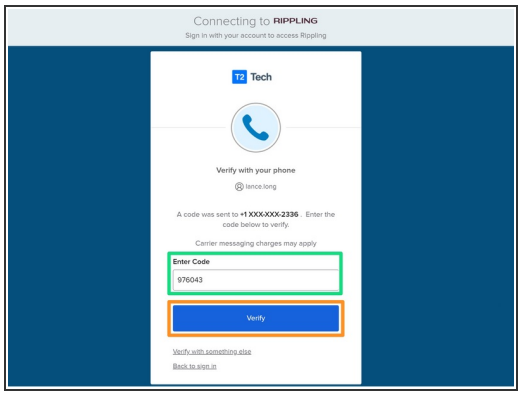

- Click **Yes, it's me**

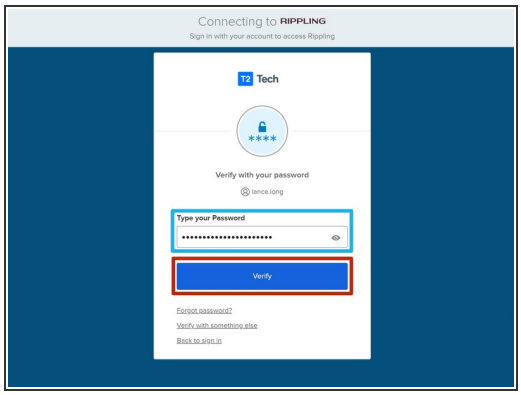

If you are using Windows Hello, once your identity is verified:

- Click **OK**

Step 4

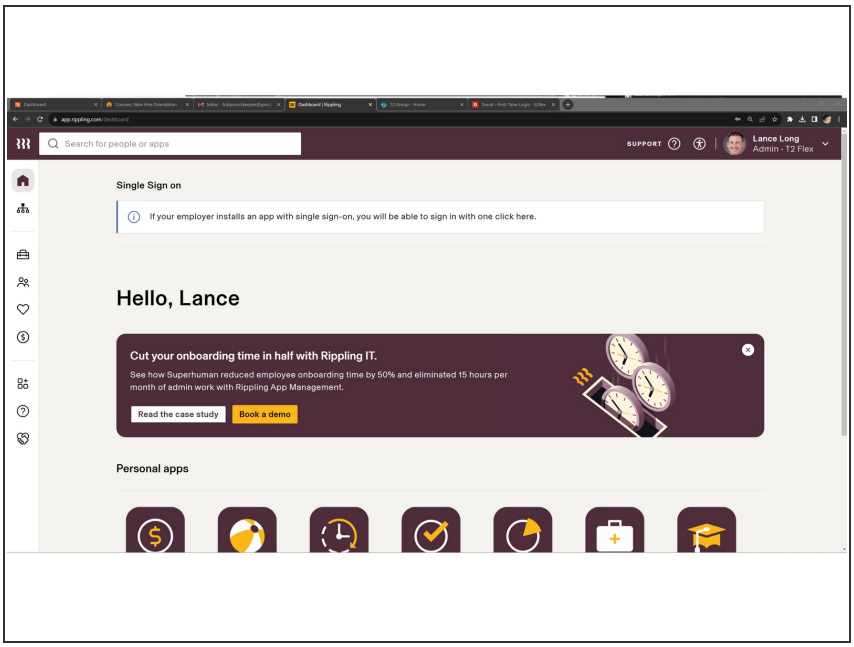

⚠ **Skip this Step if you signed in using Okta FastPass.**

To verify your identity using your phone:

- Click **Receive a code via SMS**
- Enter the **6 Digit Code**
- Click **Verify**
- Enter your **T2 Account Password**
- Click **Verify**

Step 5

⚠ **Your Rippling Dashboard will appear once you are signed in.**
