Adjusting Background Settings

Written By: Brendon Welch

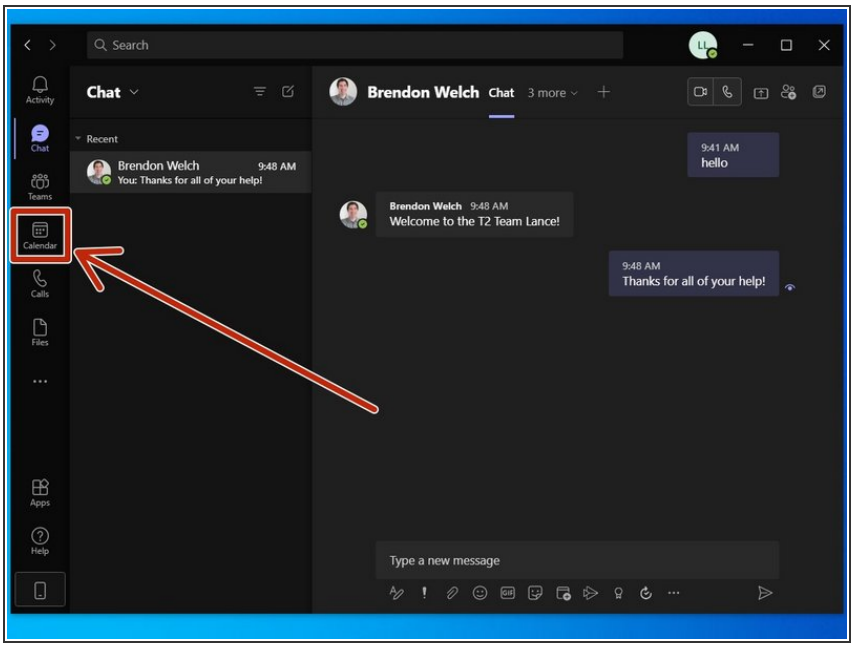

INTRODUCTION

This guide will show you how to prepare your background settings before joining a real meeting. You can either Blur your background, or choose a background.

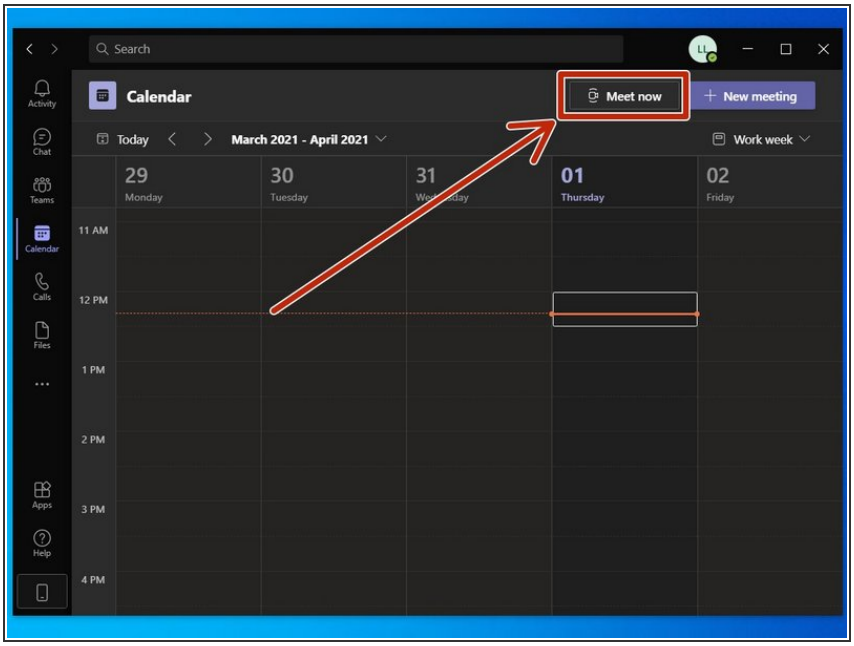

© 2024

Step 1 — Adjusting Background Settings

- Click **Calendar**

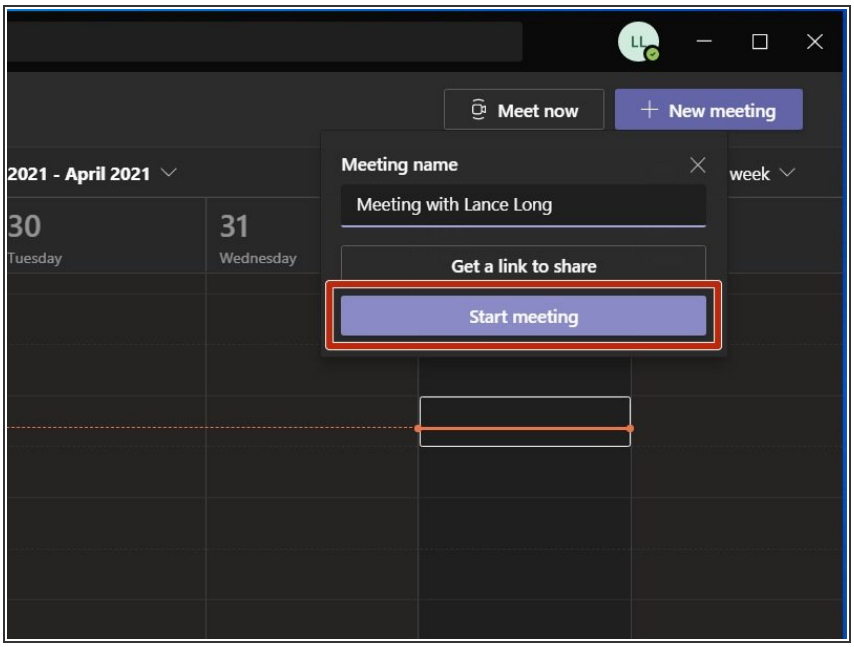

Step 2

- Click **Meet now**

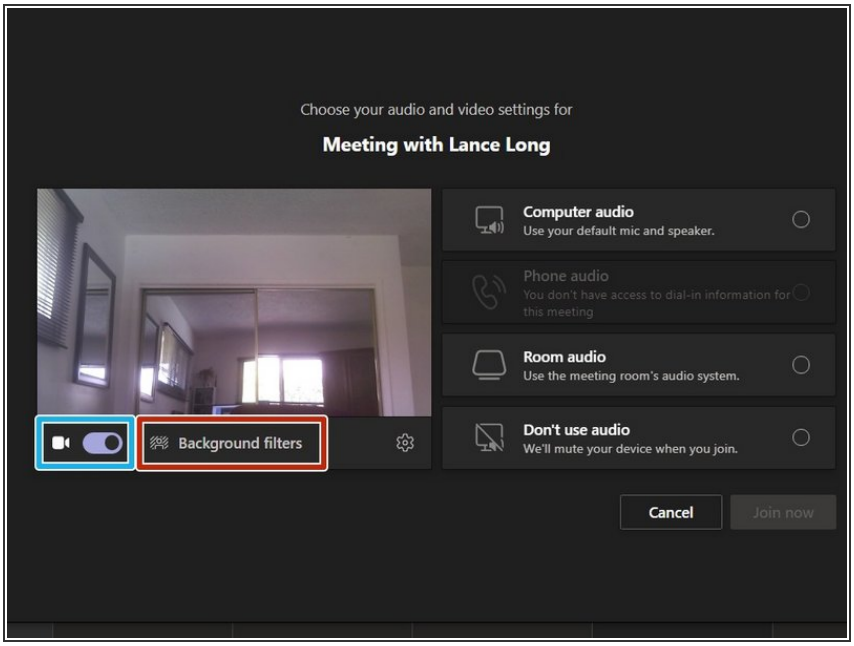

© 2024

Step 3

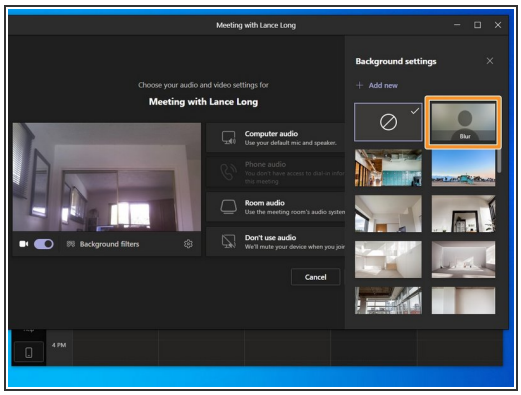

- Click **Start meeting**

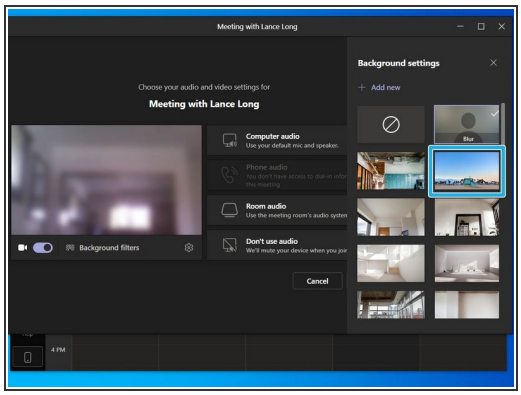

Step 4

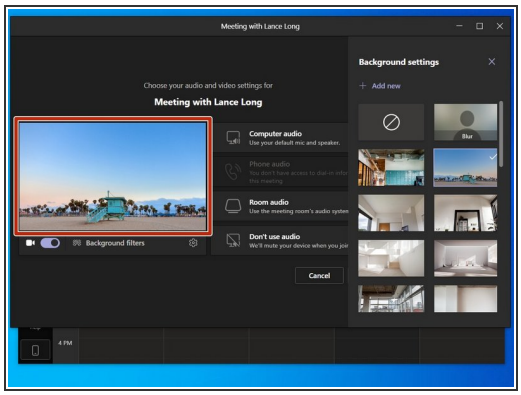

- Turn your **Camera On**
- Click **Background filters**

Step 5

To Blur your current background:

- Click **Blur**

To change your background:

- Click the desired **Background image**
- **Changes are applied automatically**

⚠ You can close the meeting, and the changes will be applied to your future meetings.
