

IFL Training Shift 09 Capstone Project II

Written By: Kenny Davis Jr

Step 1 — Continue your project

- Keep working on your project during this shift. If you need additional time, just let the Manager or an LC know!

Step 2 — Finishing your Capstone

- Once you have completed your project, be sure to schedule a PD with the Lab Manager or an LC.
- During your PDM we will discuss further training options and your future as an IFL LM!

Step 3 — Don't forget to bring your project and feedback!

- Bring your capstone project and any feedback you have on the boarding process to your PDM!
